

WRIGHTSVILLE

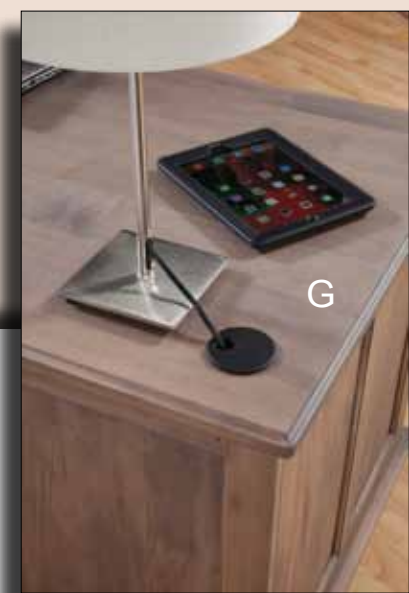

Proudly displaying USA pride in every piece we build

Wrightsville is a fresh updated coastal design with design origins from the British West Indies, The Wrightsville collection has a cottage feel when put in Wormy Maple and our Driftwood finish, accented with dark brushed antique copper hardware, or when featured in our rich boston finish it looks like it belongs in a rustic hunting lodge. This is a fun design that looks great in painted or two tone finishes.

Shown in Wormy Maple with 232 Driftwood Finish
Hardware: K107-DABC
