

The Chalet Collection features a sleigh bed and the simple, soft, rounded lines and trim reminiscent of early 19th century France. A time of quiet, understated luxury.

We build this collection using solid retreat cherry tops and the added stability of cabinet grade plywood sides, English Dovetail, Solid wood drawer construction and full extension drawer slides. Finished in your choice of three, hand rubbed stains and the industries best, catalyzed conversion varnish.

The curvilinear lines of the Sleigh bed will make any bedroom look special.
